

Have you remembered the Desert Foothills Library in your estate plan?

Please let us know!

The Desert Foothills Library would like to thank you during your lifetime with named recognition at the Library and, more importantly, would like to ensure that your intentions are understood.

Bequests can help insure the Library's long-term ability to help provide opportunities for life-long learning to the community in a friendly and inviting environment.

Please contact us for a free informative brochure that discusses planned giving options such as testamentary gifts, charitable trusts, beneficiary designations and more.
