MUSIC OF WORLD WAR II

Wednesday, July 25 • 10–11:30 am

Some of the most memorable and enduring popular music of the Twentieth Century was written during the Second World War. With patriotism at an all-time high, the war effort became an integral part of the entertainment industry, creating an emotional wartime dream world of heroes, love, reflection, remembrance, and introspection. The Music of World War II tells the stories behind the origins of many of these musical compositions, some of which have survived to become standards and are popular to this day. Dr. Sheldon Winkler is an educator, author, editor, researcher, and national and international speaker on prosthodontics, implant dentistry, dental materials, geriatric dentistry, and the music of World War II.

ACCORDIANS AREN'T JUST FOR POLKAS!

with Larry Roberts

Tuesday, July 10 • 2–3 pm

The digital age has brought about a new era in synthesized musical instruments.

Not to forget the accordion! See Larry play a digitized accordion with all the bells and whistles that will amaze you. We often think of polka music on an accordion as an ideal. That may be so, but with this accordion many instruments can be duplicated and sound like the real thing. Larry will perform the standard accordion songs that were made famous for many decades. Then put a new twist on all those familiar popular songs we all know. All performed on the accordion. Larry will be wireless and your children and adults alike will get personal close-up view of this performance. Students, teachers, musicians and those who like music will be truly entertained. Bring your family and friends and you will thoroughly enjoy a wonderful one hour musical experience. Larry is a newcomer to the Phoenix Valley. He started his music career in Milwaukee, Wisconsin at the age of eight. He is a multi-instrumentalist; accordion, piano, keyboard, guitars, and vocals and a band leader and solo artist. A Nashville recording artist in the 70's, performing with the top studio musicians Larry became well-traveled in the US with twenty years in South Florida.

RESTORE WITH MUSIC & COLOR

Friday, July 6 • 2–3:30 pm

Join us for a fun and unique way to unwind and express creativity! Researchers and art therapist alike have pushed the stress relieving and mind restoring benefits of adult coloring. These pages have more intricate designs and patterns than those designed for children. Just like meditation, coloring also allows us to switch off our brains from other thoughts and focus only on the moment, helping to alleviate free-floating anxiety. Please join us for a casual adult coloring session! All materials will be supplied, including coffee & water. **Register:** 480-488-2286.
